University of California San Francisco (UCSF) will hold an industry outreach event on Monday June 1, 2015 to present a portfolio of significant capital projects valued at greater than $100M each planned for the next few years. This non mandatory event is intended to provide interested Design and Construction partners with information about:

- Type, Size and Location of Projects
- General Schedule and Sequence of Design and Construction Information
- Expected Delivery and Contract Models
- General Information about Selection Process and Timing
- Diversity and Local Business Objectives
- Next Steps

Representatives from UCSF Health - Design and Construction and UCSF Capital Programs will present information about significant upcoming projects.

Space is limited so we are asking all interested parties to send in the names and contact information of the individuals from your firm that plan to attend. Please limit attendance to two (2) people from each organization. For more information about the event and to RSVP please email Johanna.Hart@ucsf.edu.

We will also be broadcasting the event live using WebEx if you would prefer to participate remotely. Call in number and access code is shown below and can also be requested via email from Johanna.Hart@ucsf.edu.
